Dear Kathleen: -

Last evening - in reading
the Toronto News in
Musical America - of June -
I saw - "A new musical
ensemble, the Parlow
String Quartet" - etc. Also -
"The Group has been engaged
for a series of weekly
Broadcasts."

We get Canada so
well that I wish it
was possible to hear.

I think I will write
the Canadian BroadCasting
Company - hoping they will
let me know - as the Parlow's

never write any more. -!
I read, too, that you
had played so beautifully
with the Orchestra. I wish
we could have heard you.

I heard the broadcast
of the "Mazurka" Requiem
on Easter.

It is good to know you
are "in the land of
the living" - & so hope
the dear Mother is well
again - & that you are
well.

Here things are
very difficult. We
rarely see friends, and
am dependent on
the radio for any music.

As you probably know,
Mrs. Coledge is giving a

series of lectures at the Museum
to celebrate the twenty-fifth
Anniversary. * It is hard to
have to snub them - and yet.
Remember the 1928 Festival -!
Our every best wish for you
both - and love - Marie.

* Last summer - the 60th celebrated
60th twenty-fifth you on South Mountain.
The party was surprised when I
opened to them it was the twenty-fourth.
But Mrs. Coledge didn't mind being
about it.
